Satyen and Satya Joseph

Satyen Joseph

I was born into a strict Hindu family. We searched for peace and truth, but could not find it. As a political leader, my father did many bad things; then he heard about Jesus Christ and accepted Him. Our family was in shock. However, he was so changed that we became interested. Then a terrible accident caused me to wonder why God had spared me; in my innermost being I accepted His gift of life and knew that He had a plan for me. Now I live to serve Him. I studied and received my Bachelor of Divinity at Rajasthan Bible Institute. Since graduation I have served in follow-up evangelism and now I am teaching missions and church history. While teaching I also completed my Master of Divinity degree from Asia Graduate School of Theology. These studies make me a better teacher. At present, I am preparing a new course on Missions. I am also serving as an elder in my church, as well as helping with the youth program.

Do pray for us. My wife Satya enjoys teaching in a Christian school. She is involved in the women's fellowship at our church. Please pray for her that she may get many opportunities to share our faith with the children and their parents.

Our eldest son, Vineet is in 11th grade. He is growing spiritually and he is good in his studies. He is an active member of our youth fellowship group. He plays drums in the worship service. Our younger son, Viabhav is in 4th grade. He is doing well in his studies and in Sunday school. We praise God for all his blessings.

Date of present assignment: 1987
Date of next scheduled furlough: N/A
Where currently serving: Rajasthan, India

Date of COD's beginning support: September 1987

Birthdates: Satyen July 11, 1959
 Satya January 31, 1962
