

## Our Vision:

To provide a night in the life of our church where we fulfill and practice our goals of pursuing community, Christian life development and outreach.

**LIVIN' & LOVIN' LIVE** - We will explore the underlying dynamics of the male/female relationship as God has created it. Finding practical solutions to common relationship woes while laughing at ourselves in the process. Take this time to join us for some fun and fellowship while your children are learning God's Word in our youth programs.

**COLOSSIANS** - A book study on one of Paul's letters to the Colossian church.

**LADIES BIBLE STUDY** - "How to Be A Christian Without Being Religious" - Fritz Ridenour's study of the book of Romans provides an antidote to the pharisaical spirit and shows that Christianity is not a religion but a relationship. The result is a life full of hope, joy, power and potential.
