

KLINE, Paul/Kathryn

Serving in Greece w/World Team

SEPTEMBER 2008

Our dear friends,

First of all, I am attaching the HM calendar as we know it at this time. If any of you are interested in having the reports and mission messages from Operation Joshua, you will need to ask me for them as an attachment (they are nine pages long!)

Paul has been very busy all summer working with the machinery at the camp property (along with several other duties.) There have been a number of teams who came to help over the summer, so lots of clean-up has been done.

Many young people have been calling Paul's name from all corners of the camp property; it was like being among the tribal people who called Paul as soon as he was out of sight! A donor is visiting the camp property this coming Saturday who gave funds for the new campers cabins that were built last year, and for the Astroturf that has just been laid on the newly leveled, cleared and sanded soccer field that will be put into use next summer.

The week before putting the finishing touches on the camp ground, Paul assisted with a Canadian surveyor who came to complete the survey of the camp property he could not do two years ago because he did not have the proper instruments. In one more day, Ralph says he will finish the task.

We are grateful for his help.

Before that (9th Sept) we had a Debriefing Summer Home Staff meeting and welcoming new personnel. The evening ran to midnight to recount the Lord's blessing through the various sports camps, through Operation Joshua and through the various China ministries. Following this the Leadership held a two-day planning meeting (13th and 14th), and on the 15th the fall refugee love meals ministries began.

And with these weekend visitors, September comes to a close with the German donor celebrating his 82nd birthday on our 41st wedding anniversary on September 30. This is his personal once a year evangelistic campaign; inviting dignitaries and professionals to give them an opportunity to hear the Gospel. Pray that many will be drawn to the Lord.

And if you are not registered to vote, you must be registered before October 6 or you will not be able to vote in this very important general election. Please register and vote your conscience!

Note: Just this afternoon our landlady's brother passed away in the grocery store. Cause of death is not known; an autopsy is being done. His wife passed away a number of months ago, and his mother passed away two summers ago. Pray for Despina and her family.
