

YOST, Maryanne

MARCH 2007

Serving in Florida w/Child Evangelism Fellowship

Greetings in Jesus dear name!

First I want to thank you for all who have prayed for me during and after my heart surgery. My heart is ticking away and of course I am doing exercise and walking everyday. Please continue in prayer that I will grow stronger each day. I do have some pain in the incision area.

The folks here at the Bradenton Missionary Village have gone overboard in providing food, trips to the doctor, bank and hospital - also trips to the food store - just helping me in any way they could. I praise God for their prayers and their willingness to help.

My niece Kathleen Nicholas has also been here with me for 9 days. She did so many things for me and knew many of the things I could do and could not do after surgery. Right now, I am in my sixth week after surgery. I praise God for His provision for me.

Another note to pray for is that our CEF co-ordinator will be retiring in July. PLEASE PRAY FOR THIS NEED AND FOR THE CEF COMMITTEE AS WE SEEK GOD'S WILL FOR A LEADER FOR THE TWO COUNTIES - MANATEE & SARASOTA. BOYS AND GIRLS SO NEED THE LORD!
