Unseth (TX) Pray for Pete as he attends and presents a paper at a conference in Canada the first week in August. He would especially appreciate prayer for good health during that time because he also wants to learn a lot from the other presenters. Pete teaches a course at GIAL on how to distinguish between languages and dialects so this conference should be very helpful.	Long (PA) Carol returns from Manila on August 11. Pray also for direction in jobs and permanent housing for us.	Severn (MI) Two of our single ladies on the Kazakhstan team were deported over a visa technicality. We are appealing the case. Pray that they will be granted permission to return to Kazakhstan. When you have a small team it is very hard to lose workers. Pray that "J" and "J" will be given new visas.	Greece Team Praise the Lord for the COD team that took part in the distribution of 103,000 Greek New Testaments in the Peloponnese region of Greece. Pray that God's Spirit would work mightily to have the Light piercing the darkness of their hearts and draw many to salvation in Jesus.	Bailey (GA) August 13th is Kathy's 80th birthday. August 22nd we fly to Brazil for two months of ministry -- until September 4th, in the states of Rio de Janeiro and Sao Paulo, then through October 23rd in the state of Rio Grande do Sul.	Sa (Philippines) Pray for divine appointments with our friends in the community, especially during this month of Ramadan. Pray for endurance as night time is the best time to spend time with our friends. Pray for my faith to increase and my love for my precious Savior, Jesus!	Miller (Austria) Praise for finances to send 17 teens and children to a Bible camp. Pray for God's Word to bring lasting fruit in each life.

Oliver (Trinidad) Pray for spiritual growth for Anthony as he leads the church and for the direction of God at Westside Community Church. Pray also for Sharon, Martin and Daniel.	Hampton (PA) We continue to ask for fervent prayers that our house in North Carolina will sell! The house needs to sell quickly and at a price that will provide what we need for an affordable place near the DC office. Pray for funds from this sale to provide us with a place where we can safely perform all the ministries the Lord has in store for us, and a place that fits our monthly support!	Johnson (Burkina Faso) Pray for a time of rest and renewal as we take a one-week family vacation in mid-August. We've enjoyed our summer, but are very aware that we need a break soon and are looking forward to some time away!	Johnston (PA) Pray for the Spirit's leading as we meet many new international students this month. Ask the Lord to guide us to the students He is at work in. Continue to pray that Justin, Salil and Tracy would trust in Christ alone.	Kline (Greece) Pray for us as we have three guests coming from PA for a visit in August; Paul celebrated his birthday August 6th; there are two more camps before clean-up and winterizing; we cross the border for our 90-day tourist visa renewal before August 19, most likely going to Albania.	Muslims [Friday is their Holy Day] The Muslim world in the Middle East and North Africa is in turmoil. Pray that as the Muslims seek freedom, that they would find the true freedom in Jesus the Messiah!	Lewis (France) Ask God to work in hearts at a summer camp in Switzerland where Woody will teach the last week of August. He is teaching the book of Ecclesiastes. Ask God to open doors wide for the Gospel in our neighborhood.

Sa (Israel) Please pray for stony hearts to be made hearts of flesh through the Living Word we leave behind in Israel. Pray that "God will not leave Himself without a testimony" as the anti-missionary bill raises its head again in an uglier form.	Mathison (Kenya) Pray for rain! Most of northern Kenya and Ethiopia is experiencing severe drought. It is obvious as we look out over the valley! Pray that we would have a great time as a family over this break and continue to deepen relationships with Nathan, Gracie and Emma.	Vo (Middle East) Pray for clear direction for our team as we return to the UAE next month and continue to build strong foundations for educational services and a possible future school: for meaningful relationships with locals, favor with government officials, receptivity to what we offer, strong progress in Arabic studies, and a clear vision for the future.	Glock (Tanzania) Please pray that the Tanzanian churches will give money for the printing of the Sukuma devotional booklets and that the printing of the books and the dedication can take place by the end of November. Praise God for three churches that have already responded positively.	Christensen (IL) Denny is dubbed "visitation pastor" although he brushes off the title. :) He does visit the "sick and shut-ins" from church and seems to be enjoying that. Pray that he will bless and encourage those he visits.	Smith (MI) Anna, our prospective Nanny, needs to raise funds to cover transportation to Spain and for her monthly needs. Anna will be staying with us from September 2nd-5th. Pray that we will be able to leave for Spain in September.	Jo(Asia) Pray that we would have boldness in our witness and wisdom to know what to share in each situation. Pray that He would lead us to those who will give ear to what we have to tell them.

Buehler (AZ) Rejoice with us, for opportunities to present the Gospel in bilingual ways (English-Chuukese) to islanders attending our fellowship. Recently, Albert & Eleanor, Kosraens, have attended some of our Sunday services, giving us additional opportunities of ministering to another language group from Micronesia.	Yost (FL) Praise the Lord for the many boys and girls who were reached in summer 5-day clubs and many decisions. Pray as we start Good News Clubs in the schools. We need new volunteers and prayer partners.	Faith Missions Committee Pray for the Faith Missions Committee as we begin the planning for the 2012 Festival. Pray that we would be creative and led by the Spirit as we plan. Pray that COD would continue to be effective in proclaiming God's glory to all peoples!	Rogers (PA) The end of August signals the beginning of another school year. Jerry is looking forward to checking on those contacts he's had from last year and asking the Lord for new hearts for this year. The summer months can be times of decision making for young people in a variety of ways. Pray for the Lord to lead him to the students of His choice.	James (CO) The Lord willing, Japanese Pastor Koji and his son Yuki will be paying me a six day visit over Labor Day weekend. Please pray they will have a safe trip and a good visit.	Roche (SC) Pray for skill in becoming productive with new Mac computers that the office transitioned to while I was gone! Pray for Jim as he initiates a program for eight new inquirers and for his leadership of new curriculum development. Pray for a favorable and generous response of a philanthropic organization to our grant requests.	Good News Jail and Prison Ministry (Lebanon) Praise the Lord for the work of Bechara & Malid in Beirut. Under very difficult conditions (riots, corruption, over-crowding, abuse) they have met with 500+ inmates. Some have begun Bible Studies and others have trusted Christ as their Savior. Inmates' families have also been visited and some have come to trust Christ.
